compensation in the amount of \$4,404,155.25 for the reasonable and necessary legal services Casner has rendered to the Debtors and (ii) reimbursement for the actual and necessary expenses that Casner incurred in the amount of \$2,052,100.45 (the “Final Fee Application”), for the period from September 18, 2001 through February 3, 2014 (the “Fee Period”) and payment of any unpaid portion of such fees and expenses. In support of this Final Fee Application, Casner respectfully states as follows:

### **Background**

#### **Retention of Casner**

1. On April 2, 2001 (the “Petition Date”), the Debtors each filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code (collectively, the “Chapter 11 Cases”). On April 2, 2001, the Court entered an order procedurally consolidating the Chapter 11 Cases for administrative purposes only. Since the Petition Date, the Debtors have continued to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. By this Court’s order dated September 18, 2001, the Debtors were authorized to retain Casner as Special Litigation Counsel, effective as of the Petition Date (the “Retention Order”). The Retention Order authorizes the Debtors to compensate Casner at Casner’s hourly rates charged for services of this type and to be reimbursed for actual and necessary out-of-pocket expenses that it incurred, subject to application to this Court in accordance with the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, and all applicable local rules and orders of this Court. On April 19, 2002, this Court entered the Revised Compensation Procedures, pursuant to which this Final Fee Application is being filed.

**Monthly Fee Applications Covered Herein**

3. Pursuant to the procedures set forth in the Revised Compensation Procedures, professionals may apply for monthly compensation and reimbursement (each such application, a “Monthly Fee Application”), and the notice parties listed in the Revised Compensation Procedures may object to such request. If no notice party objects to a professional’s Monthly Fee Application within twenty (20) days after the date of service of the Monthly Fee Application, the applicable professional may submit to the Court a certificate of no objection whereupon the Debtors are authorized to pay interim compensation and reimbursement of 80% of the fees and 100% of the expenses requested, subject to the filing and approval of interim and final fee application of the professional. The Professional is also required to file a quarterly fee application.

4. Prior to the filing of this Final Fee Application, Casner has filed monthly fee applications for the time period September 18, 2001 through February 3, 2014 with the Court. Attached hereto as Exhibits A-D are copies of the monthly fee applications filed by Casner which have not yet been approved by the Court.

5. The monthly fee applications covered by this Final Fee Application contain detailed daily time logs describing the actual and necessary services provided by Casner during the Fee Period as well as other detailed information required to be included in fee applications.

6. Casner has advised and represented the Debtors in connection with litigation strategy, in particular, asbestos bodily injury litigation and with respect to the maintenance and operation of the Debtors’ document repository and any future production of documents from the repository to plaintiffs. Casner has performed various professional services that are described in the monthly fee applications.

**Requested Relief**

7. By this Final Fee Application, Casner requests that the Court approve the final allowance of compensation for professional services rendered and the reimbursement of actual and necessary expenses incurred by Casner for the Fee Period, which is from September 18, 2001 through February 3, 2014, and payment of any unpaid portion of such fees and costs. As stated above, the full scope of services provided and the related expenses incurred are fully described in the monthly fee applications that have already been filed with the Court. To the extent that Casner has incurred fees and expenses in addition to the foregoing, Casner reserves the right, and respectfully requests that the Court authorize Casner, to file a supplemental fee application(s) by following the interim compensation procedures set forth in the Administrative Order and Amended Administrative Order and submitting a certificate of no objection and order to the Court for final approval of such fees and expenses as may be reflected in any supplemental fee application.

**Disinterestedness**

8. As disclosed in the Affidavit of Robert A. Murphy in Support of the Application of the Debtors to employ Casner & Edwards, LLP as Special Litigation Counsel to the Debtors, (the "Murphy Affidavit"), filed August 13, 2001, Casner does not hold or represent any interest adverse to the estates, and is a disinterested person as that term is defined in section 101(14) of the Bankruptcy Code as modified by section 1107(b) of the Bankruptcy Code.

9. Casner may in the past have represented, may currently represent, and likely in the future will represent parties-in-interest in connection with matters unrelated to the Debtors and the Chapter 11 Cases. Casner disclosed in the Murphy Affidavit its connections to parties-in-interest that it has been able to ascertain using its reasonable efforts.

**Representations**

10. Casner performed the services for which it is seeking compensation on behalf of or for the Debtors and their estates, and not on behalf of any committee, creditor or other person.

11. Pursuant to Fed. R. Bank. P. 2016(b), Casner has not shared, nor has agreed to share, (a) any compensation it has received or may receive with another party or person other than with the partners, counsel and associates of Casner, or (b) any compensation another person or party has received or may receive in connection with the Chapter 11 Cases.

12. The professional services and related expenses for which Casner requests final allowance of compensation and reimbursement of expenses were rendered and incurred in connection with this case and in the discharge of Casner's professional responsibilities as attorneys for the Debtors in these chapter 11 cases. Casner's services have been necessary and beneficial to the Debtors and their estates, creditors and other parties in interest.

13. In accordance with the factors enumerated in section 220 of the Bankruptcy Code, it is respectfully submitted that the amount requested by Casner is fair and reasonable given (a) the complexity of the case, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under the Bankruptcy Code. Moreover, Casner has reviewed the requirements of Del. Bankr. LR 2016-2 and the Administrative Order and Amended Administrative Order and believes that this Final Fee Application complies with such Rule and Orders.

WHEREFORE, Casner respectfully requests that the Court enter an order, substantially in the form attached hereto, providing that, for the Fee Period September 18, 2001 through February 3, 2014, a final allowance be made to Casner in the sum of (i) \$4,404,155.25 as compensation for reasonable and necessary professional services rendered to the Debtors and (ii) in

the sum of \$2,052,100.45 for reimbursement of actual and necessary costs and expenses incurred, for a total of \$6,456,255.70, that the Debtors be authorized and directed to pay to Casner the outstanding amount of such sums and that this Court grant such further relief as is equitable and just.
